Sleep Essentials

Dream Essence Sleep Serum Topical Solution

The blend is specifically designed to soothe and calm your body and encourage an overall sense of well-being. Used just before its time to sleep the dream essence sleep serum can help you get some well-earned rest and quality sleep.

Dream Essence Sleep Serum Pillow Spray

This spray can be used as a body or facial mist before going to bed or alternatively spritz your pillow and linens to create a sleep friendly environment. Rest your head on the pillow and drift into a sound and relaxed sleep.

Botanie - Certified Organic Private Label Soap

Bath Soap with Lavender scent.

Ingredients: Aloe, Coconut Oil, Olive Oil, Lavender Essential Oil, Lye

Contour Sleep Mask

Light as a feather, this sleep mask offers extreme comfort by creating a sense of tranquility. This relaxation mask is very flexible and durable. It delivers remarkable levels of light blocking without putting pressure on the eyes. Polyester Mask with a wide elastic strap that Velcro together.

Solitude Lavender Filled Aromatherapy Sleep Mask

The sleep mask blocks light and the calming aroma of lavender flowers encourages you to drift into a deep sleep. Scientists have proven that lavender can greatly enhance the quality of your sleep. The fabric which rests over the eye area and on the face is 100% soft cotton and cushions the eyes without pressure.

Dream Essentials Sleep Mask with Lavender Filled Sachet

This sleep mask has a pocket at the front of the mask for inserting a Lavender filled sachet. You can breathe in the calming effects of these natural herbs and fall into a beautiful deep sleep. Materials covering the eyes is 100% cotton, the outside is linen satin, wide elastic strap with Velcro.

Snooz Silky Soft Sleep Mask

The Snooz Silky Soft Sleep Mask is no ordinary airline style mask. Now featuring the Comfort Bridge for superior light blocking effectiveness around your nose area as well as cushioning your eyes without pressure. Satin fabric with elastic strap.

Xylimelts

Moisturizes and coats mouth with soothing oral lubricant that helps stimulate saliva production. Contains Xylitol to help suppress harmful bacteria, reduce bad breath, plaque and tooth decay.

Restless Leg Calming Cream

Do you have a tough time sleeping at night because of unpleasant creeping sensations in your legs? Try this drug-free, herbal massage crème. Specially formulated, it has a multitude of vitamins (A, C and B12), herbs, along with chamomile, sage, lavender and ylang-ylang to help.

Sleep & Relaxation Devices

Sleep Phones Classic

SleepPhones® are the pajamas for your ears. If your sleep is disturbed, wrap this concept around your head. Soothing music can help you fall asleep faster and remain in a state of deep sleep. SleepPhones® were developed by a family doctor to help the world live happier, healthier, well-rested lives. Available in Black and Navy Blue. Compatible with iPhone, Smartphones, iPads, MP3 Players and Personal Music Players.

Sleep Phones Microphone

Surround yourself in an ultimate sound experience – without disturbing, or being disturbed by, the person next to you. This model utilizes Bluetooth® technology to wirelessly connect with compatible devices so you never have to worry about getting tangled up in cords

Sleep Phones Wireless

SleepPhones® Wireless is Bluetooth capable, rechargeable with a 13 hours charge. A traditional headphones made bed-friendly and cord-free! Unplug and unwind with our ultra-slim, patented soft and comfortable “headphones in a headband” that make listening to audio in bed a dream.

Sleep Phones Simple

Surround yourself in an ultimate sound experience – without disturbing, or being disturbed by, the person next to you. Has built in music with 17 tracks. 3.5 MM jack, built in music with 17 tracks, cord length is 4 ft with a rechargeable battery. Available Navy Blue and Black.

Sleep Phones NapSack

Our NapSack is a lightweight mesh zipper pouch that is a great place to store your SleepPhones® and the cords that go along with it. The portable bag is easily stored in a purse, on your nightstand or is easy to take with you while traveling.

Bedphones

Bedphones are the headphones designed for sleep. At less than 1/4" total thickness, you can barely feel the foam-covered speakers lying flat against your ears. Earhooks made from soft, rubber-coated moldable memory wire provide a custom fit. There is an inline microphone that allows you to answer calls, play/pauses, skip music track, all without touching your phone. Great to use under helmets as well!

Sleep Shepherd

Sleep Shepherd is a comfortable, adjustable headband containing thin speakers and conductive fabric electroencephalograph (EEG) sensors. The Sleep Shepherd helps you optimize your sleep patterns with a patent-pending biofeedback system using customized binaural beats and passive EEG measurements. Relaxing music with binaural beats will lull your brain to sleep.

Luminette Eye Glasses

Light therapy on the move Luminette is a portable and lightweight (just 2.2 oz.) pair of light therapy glasses, letting you go about your activities, while providing ideal light exposure. You don't have to sit any more in front of a cumbersome light therapy lamp for 30 min and you can carry on with your daily routine while enjoying the benefits of the light.

Sound & Sleep Therapy System

SOUND+SLEEP Choose from 10 distinct sound profiles, each with three levels of richness to total 30 different sound profiles, all of which have been scientifically engineered to promote a deeper sleep, relaxation and a feeling of renewal.

LectroFan

Block out those pesky neighbors, create a disturbance free study area, keep conversations private, fall asleep with ease, or block out the construction noises outside your window. The soothing sounds of the LectroFan lulls babies to sleep. This sound machine is compact and portable.

LectroFan Jr.

This LectroFan Jr. Sound Machine features 18 nursery tones and 12 unique non-repeating fan sounds so babies and parents can easily fall asleep. It's simple to operate with the buttons on the front.

Nox Music Smart Sleep Light

Fall asleep easily. Wake up naturally. Nox Music is a smart sleep light designed to monitor, track and improve sleep quality. Nox will help you fall asleep easily with soothing light and sound and wake up naturally with smart alarm. Red light helps your body to create melatonin to fall asleep easier. Wireless speaker.

iSense Sleep RestOn Sleep Tracker

The RestOn sleep tracker by Sleepace is an ultra-thin non-wearable that rests on top of your mattress, seamlessly incorporating into your sleeping haven to provide accurate real-time monitoring of your sleep quality.

CPAP Accessories

Mask Cleaning Spray

CPAP Mask Cleaner is a unique formula designed for effective cleaning of ALL Types of CPAP, BiPAP and Oxygen Therapy Masks, Tubing and Accessories. Safe and gentle to use, it will not harden, crack, or deteriorate soft plastic with repeated use.

SoClean Cartridge Filter Kit

This Cartridge Filter Kit includes one replacement filter, one replacement check valve, and an O-Ring for the SoClean 2 Go. The filter and check valve should be replaced every six months. This kit is suitable for SoClean 2 Go units.

SoClean 2 CPAP Cleaner and Sanitizer

The SoClean 2 is an automated CPAP equipment cleaner and sanitizer. With the SoClean 2 CPAP cleaning machine, you can sanitize and disinfect your CPAP mask, hose, and reservoir without needing to take any pieces apart every day.

SoClean 2 Go Travel CPAP Power Adapter

SoClean 2 Go Power Kit - everything you need to run your SoClean 2 Go without batteries

CPAP Spray Cleaner - 8oz.

All natural spray cleaner makes cleaning of CPAP masks and equipment super easy. Use daily - Spray on and wipe off!

CPAP Mask Beard Shampoo

This unique shampoo restores, softens and rejuvenates coarse facial hair with each use to create a very soft, seal-able beard. Increases strand elasticity while reducing strand breakage.

CPAP Mask Beard Sealant

CPAP Beard Sealant is a “non-greasy” product that will not harm your mask. This natural ingredient sealant will easily wash out with warm water over the sink or in the shower. Helps reduce friction between your mask and facial hair.

RoEzit Facial Moisturizer

A non-petroleum-based skin moisturizer with aloe vera, emu oil and Vitamins A and E. This cream is to help prevent and eliminate irritation, cracking and nasal dryness that occasionally comes along with oxygen and CPAP therapy.

Contour CPAP Individual Wipes

Keep your mask clean, fresh and germ free! Optimize the seal of your mask with daily removal of facial oils and residue. These 100% pure viscous fiber cotton wipes are specifically formulated to naturally clean and protect your mask by effectively removing dirt, grease, oils and other organic residue!

Cann-Ease Nasal Moisturizer

Cann-Ease Nasal Moisturizing Gel is a clear and greaseless topical treatment developed specifically for dryness and friction associated with the use of oxygen by nasal cannula and CPAP and BIPAP masks.

RemZzzs liners

RemZzzs CPAP Mask Liners help alleviate many of the common problems — leaks, pressure marks, skin irritation — associated with sleep therapy masks. And best of all, their simple application will make your full face, nasal pillows or nasal mask more comfortable and easier to maintain.

Bedroom Accessories

Slumber Bump

Slumber Bump is a clinically proven, effective, simple solution to the complex problem of snoring that has plagued millions of people and prevented them from getting a restful night's sleep. A positional device to limit your movement in bed and decrease your snoring.

Slumber Bump Extender Belt

If you are having a little trouble getting your Slumber Bump to fit comfortably around you, then try adding our Sleep Belt Extender. It will give you another 15 inches so that you can sleep better

iSense Sleep SMART Pillow

The iSense Sleep SMART Pillow is unparalleled when it comes to comfort and technology. The luxuriously soft Dacron® Aqua fiberfill cover is designed to allow for quick moisture absorbency to stay cool while you sleep.

Anti-Snore Pillow by Nitetronic

Advanced snoring detection sensors initiate inflation of air bladders that gently shift the pillow, turning the head to a position that, in turn, widens the airway, reducing &/ or stopping snoring.

Folding Wedge Pillow

Our Folding Wedge Cushion adds an incline to comfortably support your head and chest in an upright, slightly angled position.

Sizes: 7" | 10" | 12"

Folding Wedge Pillow Cover

Fitted pillow cover designed for our 24" long Contour Folding Wedge. Luxurious fleece material covers the top and side portions of your wedge. It easily removes for machine washing.

Flip Pillow

10 Different Uses from One Pillow! The "Flip" design allows for total comfort and support of upper body, legs and head. This soft bed wedge pillow arranges in multiple positions to support neck, shoulders, and lumbar region.

Flip Pillow Cover

Protect your Flip Pillow™ with a custom pillow case! This soft and durable pillow case form fits to your Flip Pillow™, without restricting movement of the pillow at all! Easily removes and is machine washable.

L-Shaped Pillow

The L-Pillow's unique shape perfectly maintains the optimum side sleeping position. Wrap your arms around one side of the pillow while resting your head comfortably on the other to keep your neck, shoulders and upper body naturally aligned.

L-Shaped Pillow Cover

Looking to keep your L-Pillow soft and clean? The L-Pillow case is a microfiber case that is soft and durable. Designed with a striped damask pattern, your L-Shaped Pillow will replicate the elegance of the L-Pillow but keep it clean as well. *Comes in White & Navy.*

CPAPMAX 2.0 Pillow

Is mask shifting during the night causing leaks and loud noises that wake you up from your sleep? The CPAPMAX Pillow 2.0 allows you to sleep comfortably and in compliance with its unique features made especially for nightly PAP Therapy users.

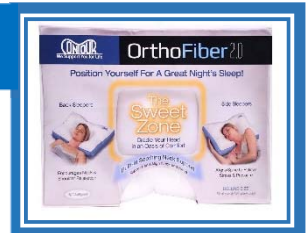

CPAP Pillow Case

Custom fit pillow case for our CPAP Pillow. Simply slip case over the CPAP Pillow to help keep your pillow clean and extend the life. Easier for removal when needing to clean your CPAP Pillow instead of removing the cover that came on it and exposing your foam inserts.

OrthoFiber 2.0 Pillow

The Ortho Fiber 2.0 Bed Pillow is designed for both back and side sleepers as it features two different sized lobes that accommodate your preferred sleeping position.

Twilight 0.0 Pillow

Twilight's flexible pad slides between your body and the mattress and won't create pressure against the sensitive areas of your face, ear and neck making it the perfect pillow for stomach sleepers and x-small body types.

Dawn 1.0 Pillow

Dawn's flexible foundation and personal performance size allows you to comfortably sleep with your arm beneath your pillow. Ideal for medium to hot sleepers.

Dusk 2.0 Pillow

The Dusk 2.0 provides the perfect cushion for your shoulders if you rest them on your pillow when you sleep on your back.

Night 3.0 Pillow

Night's flexible foundation allows you to comfortably sleep with your arm beneath your pillow and is designed specifically for side sleepers and/or large body types.

Dri-Tec 5.1 Mattress Protectors

The 5.1 Dri-Tec performance mattress protector's unique and durable channel-weave fabric construction allows for enhanced airflow and heat dissipation to regulate your body temperature for maximum comfort and recovery. **Sizes available: Twin | Full | Queen | King**

Dri-Tec Sheet Set

Tested for breathability, Dri-Tec sheets feature a CFM rating (3) and provide maximum air flow, allowing you to sleep at the right temperature, better, longer. Includes: 1 Flat Sheet, 1 Fitted Sheet, and 2 Pillow Cases
Sizes: Twin | Full | Queen | King Colors: Champaign | Gray
